I'm **M. Irfat**, the Founder of **NorthStar Academy** and a Passionate Mentor to Aspiring Finance and Accounting Professionals. As a CA, CMA (USA), CPA (USA) and CIMA (UK), I understand the challenges you face in excelling in this industry. Over the years, I've mentored more than **2 Lakhs Students**, helping them achieve their professional goals.

To help you succeed in your EA journey, I've created a Free Resource packed with strategies that have helped countless students ace their Exams on the First Attempt. These tips are simple yet incredibly effective. I've seen them work time and again.

Over the years, my students have fondly started calling me the '**God of Costing**,' a title I deeply cherish. It's their belief in me that drives my commitment to quality education. Awards like the '**Teaching Excellence**' recognition, given by the Chairman of the Skill Development Corporation, the Government of Karnataka, and the Indus Global Foundation, are reminders of the impact we can make together.

I'm thrilled for the opportunity to guide you toward achieving your dreams through this cheat sheet.
