I'm happy to announce that I have started a new position as an Analyst at [Paperchase Accountancy \(GDC\)](#).

The journey of finding my first job after qualifying CMA exams was challenging. However there were many people that helped and supported me in my journey, that included my family, friends and many [LinkedIn](#) connections.

I would like to express my deepest gratitude to all the people who supported me through my journey.

Special thanks to [NorthStar Academy 'NSA'](#), [M Irfat CA](#)

I had a wonderful experience with NSA. With their guidance and support, I was able to clear both parts of the US CMA exam on my first attempt. I'm also proud to share that I secured a placement at KPMG. I highly recommend NSA to anyone aspiring to build a strong foundation and a successful career in finance and accounting .

I had an amazing learning experience with NorthStar. The course content, mentorship, and career support were all top-notch, and the regular updates made me feel fully supported. What truly helped was the placement training, which gave me the confidence to crack interviews and secure this opportunity.

Nihash Pati

The Placement experience was smooth and focused, with clear communication and timelines. From resume building to final HR rounds, NorthStar had my back at every step. I genuinely feel this course gave me a competitive edge in the job market.

Kashish Verma

What stood out to me was the constant guidance I received throughout the course. The faculty was always available for support, and the mock interviews greatly improved my performance. The placement process was smooth, and the faculties were helpful throughout. I'm grateful for the placement push I got here.

Riya Joseph

The journey to securing a job isn't always straightforward. I had completed my CMA USA from another institute but struggled with placements due to lack of guidance. That's when I came across NorthStar Academy. Even though I wasn't their student, they went out of their way to help, something I'll always be grateful for.

I had some gaps in my understanding initially, but NorthStar made everything easy to grasp. The sessions were clear, and the placement team ensured I was prepared. Today, I'm working in a company I once dreamed of, all thanks to their structured support.

Gulzar Shaikh

The process was well-organized from start to finish. Every step, from resume preparation to final interviews, was executed smoothly. The NorthStar team's support made a real difference in connecting skilled candidates with the right employers.

Sharath Gowda

NSA referred my profile for one of the Big Four companies, and I got the exact role I had always dreamed of. The placement coordinators M Irfat, Sonal Sharma, and Nazia Sayed guided me throughout the process and made the experience truly seamless.

Maria Siby Madathil

The placement process at NorthStar Academy exceeded my expectations. From personalized guidance to timely updates, everything was handled professionally. The support I received kept me confident and well-prepared, guiding me toward an exciting career opportunity I had been aiming for.
