Benefits of **CIA**. Why Choose it?

Individuals who participate in this Certified Internal Auditor (**CIA**) Course can gain from it in the following ways:

- Take your audit career to the next level with the CIA qualification
- Contribute to the strategic direction of organisations and move away from subjective audit mechanisms
- Advance your competencies and professionalism and provide value-added services to management
- Play a key role in enhancing control environments within companies
- Become a part of an elite group of internal auditors who enjoy a great deal of esteem from both co-workers and superiors

All About CIA

As an Auditor, obtaining a CIA (Certified Internal Auditor) is one of the biggest steps you can take to advance your career. You will open yourself to more opportunities, improve your ability to take on newer obligations, and gain respect and recognition with this certification.

Why is this "Certified Internal Auditor (CIA) Course" so admired in the field of Internal Audit? To become a CIA, you need to be familiar with an in-depth knowledge of internal audit fundamentals and other soft-skill based abilities - this course will provide you with all that and more. The CIA community consists of over 200,000 chartered professionals in more than 170 countries globally. Obtaining the CIA certification is considered a mark of excellence at a global level and is, therefore, a highly prestigious certification to hold.

This NSA training course will empower you with the ability to obtain the only globally recognized internal audit certification and enhancing your internal auditing competencies.

Why CIA ?

Improve your knowledge of best practices in the audit industry

Differentiate yourself from your peers and create a unique advantage for you.

Recognise and apply the International Standards for the Professional Practice of Internal Auditing

Validate your proficiency and skills in audit

Set the precedence for continued improvement and advancement

Become a more competent professional who is aware in organizational governance
