

FRM® FINANCIAL RISK MANAGER

Relevant to Business, Choice of Professionals

What is FRM®?

The Financial Risk Manager (FRM®) designation is offered by the Global Association of Risk Professionals (GARP) and is the globally recognized standard for those who manage risk. Certified FRMs are part of an elite, global network, and are valued by top employers across diverse businesses. Requiring the successful completion of a rigorous two-part, practice-oriented examination. The Financial Risk Manager (FRM®) designation provides a bedrock foundation in a profession and industry that is rapidly evolving.

Since the FRM Program's inception in 1997, Certified FRMs have achieved positions such as Chief Risk Officer, Senior Risk Analyst, Head of Operational Risk, and Director of Investment Risk Management, to name a few. The global FRM community is growing dramatically with Certified FRMs represented at nearly every major banking institution, government regulator, consulting firm and financial services institution around the world.

The curriculum comprises of the topic areas mentioned below, and both parts have a strong emphasis on Quants, while the material differences between the exam are:

Talking About NSA Classes & their Mentor

"I being a professional, I never thought I could sit in classes again, but my first day at NSA changed my mindset. Never have I been comfortable in classes ever like NSA. Best classroom experience, learning made fun too."

-Nihal Johnson
